

MACMAHON

TELFER GOLD MINE

TELFER, WESTERN AUSTRALIA

TELFER GOLD MINE

TELFER, WESTERN AUSTRALIA

The Project

The Telfer Gold Copper Mine is located in the Great Sandy Desert in the East Pilbara region of Western Australia.

Telfer is a fly in fly out operation, 400 kilometres east south east of Port Hedland and approximately 1,300 kilometres by air or 1,900 kilometres by road north east of the state's capital, Perth.

Macmahon was awarded a rolling contract until 2022 which commenced in February 2016, which will see Macmahon providing the full scope of services for open pit mining and bulk earthworks, including drill and blast, mining waste materials, equipment hire and subcontracting.

Client: Newcrest Operations Limited
Location: Telfer, Western Australia

Value: \$430 million
Start date: February 2016
End date: February 2022

Scope of work:

- Open pit mining
- Bulk earthworks
- Drill and blast
- Mining waste materials
- Equipment hire
